TEXTURED panels, walls, ceilings, or hallways can be obtained with amazing ease by using NEW-TEX TEXTURAL COATING and so reasonable in price, only **8c.** per pound in white and fifteen tints.

By using single tones, you can eliminate all painting and finishing. Having prepared the wall, simply brush on the textural coating and work out designs to suit your fancy. Of course, if you wish any of the formal effects, you can start with our white plastic paint and work out designs in oil colors. Almost any interior will be more interesting and cheerful when you texture it.

We shall be pleased to send to you a working sample upon request.

ELASTIC ROOF CEMENT

For Construction of New Roofs or
Recovering of Old.

Repairing Gutters, Valleys, Flashings

This material leaves a fine, velvety and smooth finish. One pound is sufficient for three square feet. Ready for use. Applied with a Trowel. This is the finest CEMENT obtainable. Easy to apply and warranted for ten years' wear.

Sold in 10 lb. Containers for \$1.00

70 lb. Containers, \$5.00

Barrels containing 650 lbs. 6 cents per lb.

To rebuild any section of roof—insert a layer of Roofing Felt between two layers of Elastic Roof Cement.

COLLOIDAL FIBROUS ROOF COATING

Composed of selected Asbestos Fibre held in Colloidal state by a heavy-bodied medium to be used on roofs in an especially bad condition.

Adapted for Composition, Tar, Gravel, Shingle or Metal Roofs.

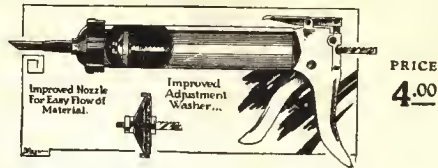

The difficulty of finding small leaks is obviated because the COLLOIDAL COATING is sufficiently heavy to seal them effectively.

The covering capacity is from fifty to sixty square feet to the gallon.

In 1 gallon cans.....	\$1.25 per gal.
In 5 gallon cans.....	1.00 per gal.
In 30 gallon drums.....	.90 per gal.
In 50 gallon barrels.....	.80 per gal.
